Hello,

My name is Peter Colosi, I live in Narragansett and I am associate professor of philosophy at Salve Regina University in Newport.

I am writing to ask you to please read through an [article](#) by me in a national catholic newspaper Our Sunday Visitor in which I explain in a way that is accessible to believers and non-believers alike the reason why MAiD should not be legal, in the article I mention the Lila Manfield Sapinsley Compassionate Care act by name and explain some of the problems with it.

I do my best to cover every angle of MAiD, it won't take long to read:
