Subject: Oppose all "Assault Weapons" Bans and all gun control in Rhode Island
Dear Representative Julie Casimiro,

As a proud pro-gun Rhode Islander, I insist you oppose any and all gun grabs, including HB 5436, HB 5076, and SB 359, the so-called "Assault Weapons" Bans.

If passed, this draconian legislation would turn thousands of law-abiding gun owners into criminals over night.

HB 5436, HB 5076, and SB 359 only serves to target the law-abiding while criminals have no intention of following the law.

The National Association for Gun Rights will keep me informed of your actions.

Sincerely,
John Blake
