Subject: I am opposing HB-5436

Follow Up Flag: Follow up
Flag Status: Completed

I am opposing HB-5436. I am a resident of North Smithfield RI and a mother of 4 girls who needs the same protection from violent criminals. The law does not take anything from the criminals, it just takes away the ability for me and my daughters to defend ourselves.

I also work in real estate and meet strangers in empty properties regularly and the profession has proven to be dangerous.

This proposed new law infringes on my second amendment rights.
