Dear Chairman Craven and House Judiciary Committee,

My name is Andrew M. Luc, a law-abiding Rhode Island citizen and gun owner. I firmly oppose H-5436, the Assault Weapons Ban of 2025. This bill unfairly targets firearms that I, along with thousands of others, have legally owned for years for self-defense, recreational purposes, and sporting activities. It fails to address the root causes of crime while punishing responsible citizens like me. I implore you to cast your vote against this overreaching legislation and safeguard our constitutional rights.

Sincerely,

Andrew M. Luc
