Hello,

My name is Ben Potter and I live at 173 Kettle Pond Dr, South Kingstown, RI 02879. I am an unaffiliated voter. I oppose bills H5436, H5443, H5651, H5652, H5654, H5889, H5890, H589 which I believe are an illegal infringement on my 2nd amendment rights. Furthermore, I do not believe that those bills would improve public safety in the least and are merely an attempt at removing my rights as a private citizen for political gain. Please note my opposition.

Best Regards,
Ben Potter
