Dear Chairman Craven and House Judiciary Committee:

My name is Conrad Jordan, a law abiding Rhode Island citizen and gun owner. I strongly oppose bill, H-5436, the Assault Weapons Ban of 2025. The bill unfairly targets weapons that I, and thousands of others have owned and used legally for years, for sport, self defense, hunting and recreation. It does nothing to address crime, while punishing responsible citizens like me. I urge you to vote against this overreaching legislation and protect our constitutional rights. Thank you.

Sincerely,

Conrad Jordan
