I am 72 years old but I am able to competitively shoot in state leagues on the rifle and pistol teams. I enjoy the thrill of being able to get as close to the bullseye with every shot. The current bill as it stands would prohibit over three thousand firearms, do you realize that? Many people that are usually silent like myself are now forced to take action. I respectfully ask that you vote bill 5436 down. Please take pride in the fact that you are upholding your oath to the constitution while allowing legal owners to defend themselves.
