To: House Judiciary Committee
Subject: Opposition to the following bills.

Follow Up Flag: Follow up
Flag Status: Completed

As a life long member of the NRA and Rhode Island, I strongly oppose bills:

H5436, H5443, H5651, H5652, H5654, H5889, H5890, H5891

In totality, these bills will for the most part eliminate gun ownership and decimate the 2nd Amendment. I cannot support any politician who supports these bills.
