I'm writing to let you know that I oppose this ill conceived and poorly written Bill, which is unconstitutional on the federal level and state level will only harm law abiding firearms owners, while doing absolutely nothing to curb crime in our state. Sadly, this being a deep blue state, my vote as a lifelong Republican has been wasted for years. I have therefore disaffiliated myself from the Party so that I can at least have some impact in the Democrat Primary elections. I will vote against any and all candidates supporting such arbitrary and harmful gun control bills. Thanks for your time to read my email.
