Dear chairman,

I am Holly Hearn, a proud RI resident since I transferred here with the Navy in 2007. I'm now retired from service and chose to stay here because I truly do love the state.

I've been a responsible gun owner for most of my adult life and cannot, do not, will not support H5436. What you are calling an "assault weapon" is absolutely ridiculous. It seems to me that you are changing the definition to orchestrate a money grab. The amount of misinformation going around about what is and is not an "assault weapon" is sickening and you have done nothing to get the correct information out.

Please, make the right choice and vote no on H5436. Leave my rights intact and allow me to defend my home and family.

Respectfully,

Holly Hearn DCC(SW/MTS) RET
