To Mr. Chairman Representative Robert E. Craven

RE: H-5436 Assault Weapons Ban 2025

AGAINST PASSAGE

I strongly oppose the Bill that's put before you banning our rights as American citizens to freely own not just this one but weapons of choice for sport and leisure. The government has infringed on our rights in too many other areas and it's just not right. Please stop the passing of this Bill!

My name is Janice Courtemanche from West Warwick RI
