Dear Chairman Craven and House Judiciary Committee,

My name is Jeffrey Forget, a law-abiding Rhode Island citizen and gun owner. I strongly oppose H-5436, the Assault Weapons Ban of 2025. This bill unfairly targets firearms that I, and thousands of others, have legally owned for years for self-defense, sport, and recreation. It does nothing to address crime while punishing responsible citizens like me. I urge you to vote against this overreaching legislation and protect our constitutional rights.

Sincerely,

**Jeffrey Forget
