Dear committee members,

I am respectfully asking you to OPPOSE the following house bills coming before you on Wednesday, March 26th, specifically H5436, H5443, H5651, H5652, H5654, H5889, H5890, and H5891.

Once again, the proposed bills show nowhere how they would stop violent criminals from committing crime, but only infringe upon the rights of the law abiding to protect themselves from the criminals. Thank you.

Sincerely,

John Cambio
