Dear Chairman Representative Craven & House Judiciary Committee,

My name is Joseph Levesque. I am a 55-year-old Rhode Island born citizen that has lawfully owned firearms for the last 33 years.

I strongly oppose HB-5436 and respectfully ask that you reconsider its passage. This bill will ban many firearms I have legally and responsibly owned for decades.

Passage of this bill will only punish law-abiding citizens and do very little to curb crime.

Respectfully,

Joseph Levesque
