Hello Chairman Craven & House Judiciary Members,

I am a resident of Richmond, RI and I am writing to give testimony in opposition to bills HB 5436, HB 5443, HB 5130 and HB 5069. I may/may not be able to attend tomorrows hearing (as is the case with many many of my RI sisters and brothers), but I will be giving my utmost attention to the results of the hearing. So count me there!

I firmly believe the bills should fail, as they individually and/or collectively are unconstitutional, violate the prohibition of RI maintaining a firearm registry, are

vague and invalid in the arms they profess to include, are egregiously overreaching and absolutely not in the best interest and will not increase the safety of Rhode Island residents.

I believe the bills should fail.

Thank you for your attention to this matter.
