

Dear House Judiciary Committee Member:

As a long-time resident of Charlestown, RI, I strongly oppose the following proposals: H5436, H5443, H5651, H5652, H5654, H5889, H5890, H5891. None of these will actually improve the safety of RI residents but rather will impinge upon the rights of law-abiding citizens who own or wish to own guns for defense of people and property. I urge you to outright reject all of these proposals.

Thank you.

Sincerely, Lynn A. DeNoia 151 Birch Rd CHARLESTOWN RI 4013647006
