Gentlemen, please do not take our rights away !! You were voted in under oath to help your constituents! All of them !im a 38 year resident of Rhode Island ! Not even a parking ticket ! Please don't make me a felon ! Your forcing me to sell my home a move in order to Maintain my law bidding status ! You're forcing me to join in to the democratic voting party ! This will only turn out with the voting process which voted you in to office , vote against ! these illegal laws being placed upon your constituents, again for the wrong reason ! Please fix the problems, before Rhode Island becomes a junk yard full of crime!thank you for considering standing to the right  
And good of all the voting people of this state!      marc marchand 02896
