We ***favor the passage*** of six (6) bills specifically relating to Firearms/Second Amendment rights of citizens and reasonable safety measures. More specifically:

House Bill No. 5653 (Prohibit stricter requirements for LTC than Attorney General)
House Bill No. 5666 (Arming campus police at higher education facilities)
House Bill No. 5667 (Ballistic body armor for campus police officers)
House Bill No. 5891 (*Disqualifies* individuals with prior felony convictions)
House Bill No. 5935 (Recognition out-of-state LTCs, emergency evacuations, appeal process for denial)
House Bill No. 5936 (Appeal process for LTC w/licensing authority or AG)

All others we **strongly oppose**. To wit:

House Bill No. 5436 (Assault weapons ban)
House Bill No. 5443 (Suicide prevention)
House Bill No. 5651 (Juvenile records for background checks)
House Bill No. 5652 (Precluding nolo contendere/misdemeanor of hate crimes)
House Bill No. 5654 (Prohibits reciprocity licensing)
House Bill No. 5889 (Consideration of expunged records)
House Bill No. 6042 (Exempt U.S. employees from having to obtain license for LTC)

Thank you for your attention to this matter.

Cordially,
