Good Morning,

I am writing today to voice my **strong opposition** to the upcoming bills being heard this week.

H5436

H5443

H5651

H5652

H5654

H5889

H5890

H5891

The passing of these bills by and large creates a situation that makes law abiding voters, residents and contributing members of communities across RI criminals. This in no way will make anyone "safer" nor can they be reasonably justified.

Sincerely,

Michael Boisvert
