Dear House Judiciary Committee

Please let it be known that myself and my family are gun enthusiasts.

We all oppose any of the latest highly restrictive and very unconstitutional laws trying to eliminate almost all guns used by the many gun owners of the State of Rhode Island.

In particular H5436 is unconstitutional at both the state and federal level.

I urge you to oppose any bill that goes against your oath to uphold the Constitution of the State of Rhode Island (which H5436 most certainly does!).

My local representatives almost never reply to my communications so I hope you are listening.

Thank you
