Chairman Representative Robert E. Craven,
RE: H-5436 Assault Weapons Ban 2025: **Against Passage**

My name is Neil Rowey, and I am a law-abiding citizen and gun owner from Rhode Island, where I have lived all my life.

I am writing to express my strong opposition to H-5436, the Assault Weapons Ban of 2025.

This bill unfairly targets firearms that I, along with thousands of others that have legally owned firearms for years for purposes such as self-defense, sport, and recreation.

It fails to address crime effectively while unjustly penalizing responsible citizens like me.

I urge you to vote against this overreaching legislation and protect our **constitutional rights**.
