Good afternoon,

My name is Peter Reynolds from 167 Church St in Tiverton Ri 02878. I am writing to oppose the following bills.

H 5436

H 5443

H 5651

H 5652

H 5654

H 5889

H 5890

H 5891

These bills are all bad for citizens and not really looking at interests for citizens. They spend too much on these items and ignore the destruction of Ocean State Marine Environment installation of Windmills with No real Scientific Evaluation of harm to environment and no benefit for state. (Sakonnet river cable laying) Prices for electricity is astronomically high. Rhode Island is one of the safest states with back ground checks and 7 day waiting periods after purchase of firearms. But we always repeat this same gun control issues and attempt to Sneak It Thru.

Thank you, Peter Reynolds
