Chairman Representative Robert E. Craven
To members of the house judiciary Committee,

I, Raymond A. Romano want to express my opposition to HB 5436. I am a lifelong resident of the State of Rhode Island and a licensed funeral director/embalmer. I believe this bill would target lawful gun owners of our state and infringe on our second amendment rights.

The intent may be good but, but as we can see in our State and the nation the majority of crimes are not committed by law abiding citizens.

Thank you in advance for your cooperation.
