RE: H-5436 Assault Weapons Ban 2025: Against Passage

Dear Chairman Craven and the House Judiciary Committee,

My name is Steven J Mollo, a law-abiding Rhode Island citizen and a RI citizen all my life and a gun owner. I strongly oppose H-5436, the Assault Weapons Ban of 2025. This bill unfairly targets firearms that I, and thousands of others like me have legally owned for years for self-defense, sport and recreation. It has been proven by numerous FBI and other competent studies that this bill and bills like it do nothing to address crime while unfairly punishing responsible citizens like me. Statistics from groups supported by Michael Bloomberg and others are erroneous, self-made up facts. I urge you to vote against this overreaching legislation and protect our constitutional rights.

Sincerely,

Steven J Mollo
