Dear Mr Craven and House Judiciary Committee,

As a future gun owner and law-abiding citizen, I strongly oppose H-5436, the Assault Weapons Ban of 2025.

This bill does nothing to address crime but punishes law-abiding, responsible citizens who have owned these weapons for years for sport, hunting and recreation.

I urge you to vote against this overreaching legislation and protect our 2A constitutional rights.

Sincerely,

Terrence M, Gasbarro
