Rhode Island House Judiciary Committee

To whom it may concern,

As a 36-year Rhode Island resident, registered voter and firearms owner, I must express my concerns and objections to several bills that will be heard by this committee on March 26th. My objections are that these bills are unconstitutional and/or could make me a felon (without any action on my part).

I am vehemently against the following proposed bills:

H5436
H5443
H5651
H5652
H5654
H5889
H5890
H5891

Sincerely,

Timothy J. Schoenfelder
