Dear chairmen Craven and House Judiciary Committe:

My name is Walter Kloc.

I am a military veteran and a 54 year Rhode Island resident and a LEGAL gun owner. I enjoy target and trap shooting.

I am writing to you and the committe to state my STRONG ADAMENT opposition to bill H5436.

This is the 3rd year in a row that you and the governor have been stepping on (infringing) the rights of us law abiding citizens (legal gun owners} ie. magazine ban safe storage hunting with unloaded fire arm ect.

again I say you should table this bill or floor it' even better.

remember as you vote we vote also and if you step on more of our rights we will vote against you.

thank you

Walter Kloc
