Dear Honorable Speaker, Chairperson Ever and Chairman Craven,  
My name is Tony Reverdes and I'm writing in strong support of  
the Senate Bill and House Bill on the Second Look Act. Why I'm for it I  
know I had plenty of chances to get my life on track in the pass

I been arrested multiple time and did multiple small stints in training  
School and the A.C.I always thought I could do everything on my own  
(no meds) be regular like everyone else around me

These six year's has shown me how much of a fool I have been  
this is the longest I have ever been locked up for and if God willing  
everything go's well I have about 23 more year's to go before I'm  
release I'm about to be 44 year's old my only support is my  
Mother that is 78 with not the greatest health.

I got stuck with 40 year's "Because I had a Lawyer that  
didn't want to come up to talk to me or hear me and a Judge  
that didn't care that I was having issues and I didn't want to go  
to trial" All my co-defendents been home 2 to 3 year's ago (1) got probation  
another got 5 year's The other with 5 prior robberys got 3 year's and I got  
40 year's 20 year's with parole 20 without parole I would just like a  
chance to make it home to spend time with my mom and show  
her and myself I can make something of myself this sentence  
scare me straight you can say being release at the age of  
68 or so what oppournity's am I going to have with no  
support depending on the state to house me and  
everything else it's not a bright future just being honest  
I see it with the guys that im locked up with lose love  
one 10 year is still a long sentence it's life changing  
for most we are alone hoping to reunite we love one's

when you lose them love ones your bitter i don't  
want that all i have is hope i don't want to lose  
that.

The Free Communication (Free calls Phone)  
would help me and my family out alot the call's keep's  
me in a good head space if the call's was free would  
help ~~me~~ because my support is on a fix income

Respectfully Submitted
