Oppose

Chair Craven and Members of the Committee,

I am writing in strong opposition to H5296. This bill is nothing but an attempt to demonize and incite fear in medical providers.

H5296 includes "born alive" in the title. This is a purposely incendiary and deceptive title. This nonexistent situation is offensive, and dangerous.

Instead of respecting every person's decision, anti-abortion politicians are resorting to false rhetoric to distract from their true agenda — to push abortion care out of reach and punish patients and their providers.

Please, vote no on this bill. It is anti-science, anti-abortion, and just plain wrong.

Thank you for your time.
