Dear Members of the House Judiciary Committee,

I am a resident of Smithfield. I am writing to you today to express my support for H5225]. I support this bill because all children deserve a safe and fear-free place to learn. As we've experienced with the Trump administration so far, they obviously have no qualms with being extremely cruel with the thinnest of pretenses. The children in this state regardless of the status of their parents deserve the best safety we can provide them. To fail one group of children is to fail all of them.

Sincerely,
Matt Blissmer
