Dear Chairman Corvese,

On behalf of our 12,000 members in the hospitality industry, we write in favor of H. 8174 “An Act Relating to Education” introduced By Representative Dawson and Representative O'Brien.

This bill would help provide a stable life for food service employees in our K-12 schools by creating a predictable calendar year. Please do not hesitate to call Nancy Iadeluca with any questions: (617) 543-2851.

Sincerely,

Carlos Aramayo, President
