

Dear House Municipal Government and Housing Committee Members,

I am in favor of Bill H 7060. I have lived in Tiverton for a few years. The Seapowet beach and recreation area is a beautiful area enjoyed by hundreds of people. I enjoy walking the beach with my chocolate and black labs. I am shocked that the CRMC designated a private oyster farm in this public recreation spot. How can an agency that is supposed to protect the RI shoreline approve a private lease that takes away access from the public. Please stop this from happening. Allowing 2 brothers to profit at the expense of the general public is wrong.

Thank you.
