

Dear Sirs,

I am writing to express my full endorsement and support of Representative John Edward's bill H7060 to protect and preserve the Sapowet Marsh Wildlife Management Area, as well as it's shoreline and adjacent coastal waters from encroachment by any activities other than recreation. This area is a beautiful and fragile ecosystem which requires continual diligence on our part to keep it as pristine and undisturbed as possible for current and future generations. I strongly urge you to support this bill and to help ensure its passage.

Respectfully,

Jay P. Edwards

Member of Tiverton Town Council
