

Hello,

I strongly support bill H7382. This bill reduces the current limits on renting and provides badly needed housing for URI students as has been done for decades.

I am an injured on duty retired firefighter and have owned my Narragansett rental home since 2017. It's my main source of income. Please pass this bill so I can keep living in Rhode Island and supporting small businesses. I've lived in RI my whole life and I love this state. Thank you for your time.

V/R,
