

Dear Representatives

Please VOTE in SUPPORT of H7382. I rent annually in Narragansett. When the limitation of the 3 unrelated ordinance went into effect many annual renters were displaced and had to incur substantial increases in monthly rents to secure housing. HOW COULD THERE BE OVER 1200 EMPTY BEDS IN NARRAGANSETT???? This bill will help to level off the supply and demand cost increase that happened as a result of the 3 unrelated ordinance. This bill is good for ALL residents full time, part time and students in Narragansett and South County.

Thank you
