

I strongly support bill H7382 (blue insert below).

This bill will modify the current limits on renting and provides badly needed housing for URI students, as has been done for decades in Narragansett. It is a shame that this lovely 5-bedroom house is now, by Narragansett ordinance, to be occupied by only 3 students - not good for URI student housing needs overall, and not sustainable. Renting this house for over 12 years to URI students has been a pleasure, with neighbors indicating compliments on their quiet and neighborly nature.
