

I strongly support bill H7382. This bill reduces the current limits on renting and provides badly needed housing for URI students as has been done for decades.

I am a former URI graduate who was lucky enough to live off-campus for my last 2 years and it was some of my best memories from college. 9 years ago, I bought a beach house in Narragansett so I could enjoy the summers at beautiful Scarborough Beach and rent out for part of the time.

I support many local business such as:

- Landscapers
- Electricians
- Handyman Services
- Plumbers

The families that stay for a week spend thousands of dollars in the local economy and tell me how much they appreciate the ability to have family gatherings in this area. Usually, the only time of the year when they get together.

Please support this bill and help us keep these memories alive.
