

I strongly support bill H7382. This bill reduces the current limits on renting and provides badly needed housing for URI students, as has been done for decades.

My daughter is a Junior at URI, finishing her first year at the school as she transferred from community college. She was fortunate to find a rental house in Narragansett and has never been happier.

If this is enforced she would have no place for the upcoming semester. We live in New Jersey

Thank you.
