

To whomever it may concern,

This bill will reduce the current limits on renting in cities and towns across the state and will have a positive effect on the housing crisis in Rhode Island. It will also provide badly needed housing for URI students.

My name is Jake Listwan and I reside at 46 Houston Ave, Narragansett and town legislation has negatively impacted all my friends and I. Personally, this bill makes finding a house for the next academic year incredibly challenging. While it is already a strenuous task finding a place to live here as a male college student even when 4-5 students can live in a house.

Thank you for your time,
Jake Listwan
