

Dear

I strongly support bill H7382.

This bill reduces the current limits on renting and provides badly needed housing for URI students as has been done for decades.

The town would rather have 1,200 empty bedrooms than providing housing.

The property taxes and expenses keep going up and we are now limited to the use of our property.

This property has been in the family for a while and we never struggled so much to keep it and keep up with expenses like we have the last 3 years.

PLEASE PROTECT OUR PROPERTY RIGHTS!
