

This bill will reduce the current limits on renting in cities and towns across the state and will have a positive effect on the housing crisis in Rhode Island. It will also provide badly needed housing for URI students.

We live in New York and have two students at URI. My oldest has had nothing but wonderful experiences, excellent landlords, amazing realtor companies and overall a true college experience living off campus. We are worried for my freshman daughter to not obtain housing in her junior year. This is one of the biggest reasons that we selected URI.

Please continue to support our students.
