

I strongly support bill H7382. This bill reduces the current limits on renting and provides badly needed housing for URI students as has been done for decades. I went to URI in 1983 and lived in Eastward Look with my friends. I made the best friendships of my life. Please don't take away the housing that the current URI students desperately need. My rental property address is 51 Glendale Road, Narragansett. I only live in South Kingstown and am a very hands on landlord.

Thank you for time.
