

Hello

I strongly support bill H7382. This bill reduces the current limits on renting and provides badly needed housing for URI students as has been done for decades.

I have owned a 4 bedroom home over 10 year and should not be told I can only rent to 3 URI students when I have 4 bedrooms and have rented it for 10 yrs. This is my main supplement of income as a single widowed mother. I also own a second home in the same neighborhood and have never had a problem as this is the way it's been for over 100 yrs.

Thank you for your time and support.
