

Hello, my name is Matt Brackett, current junior at the University of Rhode Island. My student address is 5 Elizabeth Road, Narragansett, RI. This bill will reduce the current limits on renting in cities and towns across the state and will have a positive effect on the housing crisis in Rhode Island. It will also provide badly needed housing for URI students. This ordinance has made it nearly impossible for me and 3 closest friends to find a house for our senior year at URI. We have been planning to live together since our sophomore year and this is putting us in a predicament of potentially needing to split up, which is not ideal for us. Hoping this can help the gears turn and make many students happy for their 2024-25 Academic years.

Best Regards,  
Matt Brackett
