

Hello,

I am emailing to encourage you to support state bill H7382. This bill (H7382) will reduce the current limits on renting in cities and towns across the state and will have a positive effect on the housing crisis in Rhode Island. It will also provide badly needed housing for URI students.

My name is Megan Pruskowski and I am a URI student living in Narragansett, RI. I am originally from New Jersey. On top of being a full time student, I am currently working 2 jobs (around 28 hours a week). Narragansett's ordinance has affected me in many ways. This issue has given me a great deal of anxiety and stress. The thought of possibly not finding housing could present a multitude of issues.

Best,  
Megan Pruskowski
