

Sent My name is Raymond Uliano. I am supporting bill H7382 . I have a Home in narragansett right now and I have owned the property for 22 years . I decided along with my wife to buy income property for our retirement income. We have in the last 2 years lost \$15500.00 worth of income . The town council passed a law that 3 unrelated students only could live in my 5 bedroom home. Also starting next year they are going to make new laws for the summer which will cause people to have to sell their homes. Also they are trying to raise our taxes now saying we should pay a higher tax because we rent our home. PLEASE help we love our home we will continue to fight for what is right. Thank you Raymond Uliano
