

I strongly support bill H7382. This bill reduces the current limits on renting and provides badly needed housing for URI students as has been done for decades. The town would rather have 1,200 empty bedrooms than providing housing.

We love Narragansett and welcome the opportunity to continue to rent our home until we retire. The rents received pay our mortgage, however, being limited to 3 unrelated tenants when the property has 6 bedrooms just seems wrong as the home is underutilized when demand is so high and limits our ability to pay-down our mortgage.

Please support Bill H7382
