

My Testimony on H-7383

Good evening Chairman Casey and members of the House Municipal Government and Housing Committee.

My name is John P Gallo and I am here to testify in support of H-7383.

I am testifying as a current member and past president of both the House Permanent Veterans Advisory Council and the United Veterans Council of Rhode Island.

We feel that this is a good bill and will raise the property tax exemption for veterans.

We believe this bill has no fiscal impact on the state and requires cities and towns to raise the property tax exemption from \$1,000.00 dollars to \$6,000.00 dollars for qualified veterans' that reside in these cities and towns.

Once again we think H-7383 is a good bill and we ask the Committee to vote to recommend passage.

Thank You,
