

Dear Members of the Committee on Municipal Government and Housing,

My name is Roger Richards Jr, a resident of West Warwick RI since 1999. I am asking all of you to approve H-7889 and move this bill forward. I am in favor of this bill due to the recent inflation and cost of living increases. I feel that every veteran should get a bigger tax discount as the prices have gone up. As a veteran property home owner of West Warwick, I feel so lucky to have Rep. Serpa sponsor this bill for the veterans and elderly in West Warwick.

I am also in favor of this bill as my parents are both elderly and my father is a disabled veteran.

Thank you,

Roger Richards Jr.
