

I strongly oppose bill H8182 which allows cities and towns to restrict and destroy the states short term rental market through aggressive permitting and licensing, excessive fees, inspections and burdensome reporting requirements. This will would damage both local and state economies, destroying small businesses and their employees who depend upon these renters. The passage of this bill will allow cities and towns to use the tools allowed in this bill to determine who can and can't live and visit their town. It is also an attack on owner property rights.
